## Courage!

*The night is through,  
The chain of slavery  
It is already broken –  
I am full of courage!*

*Peace in the morning,  
A golden sun rises  
Like a lion superhuman  
To accomplish my dream.*

*A hopeful smile,  
Docile as a child  
Who plays in the infinite  
With a fiery star.*

*My journey is over;  
I enjoy time;  
The universe is my nest;  
Of eternal spring.*

## Editor's Notes

A warm thank you to Savitri for the beautiful translation. She had, with his meticulous work, been able to help me to express fully the thoughts of Kavi Yogi Maharishi Dr. Shuddhananda Bharati about *New Cosmic Songs and Zarasthiran*.

Beat the drum of unity, unity!  
Beat the drum and proclaim truth shall win!  
Beat the drum and say fear is a destructive darkness  
Beat the drum for happiness, happiness!

May a new world shine  
Like the morning dawning with a smile  
May old evils be destroyed  
May efforts be crowned with success.  
May the rays of compassion  
That promote beauty spread everywhere!

It is a real pleasure for me to present *New Cosmic Songs and Zarasthiran* to you. Thank you, Dr. Shuddhananda Bharati for having transmitted *New Cosmic Songs and Zarasthiran*.

With the blessing of *Aum Shuddha Shakti Aum*.

God is Love!

## Song of Unity

*Unite. Unite, Unite, Oh Souls  
Unite and play your roles  
Unite in mind, unite in heart  
Unite in whole, unite in part  
Like words and tunes and sense in song  
Let East and West unite and live long  
Trees are many; the grove is one  
Branches are many; tree is one  
Shores are many; sea is one  
Limbs are many; body is one  
Bodies are many; self is one  
Stars are many; sky is one  
Flowers are many; honey is one  
Pages are many; book is one  
Thoughts are many; thinker is one  
Tastes are many; taster is one  
Actors are many; the drama is one  
Nations are many; the world is one  
Religions are many; Truth is one  
The wise are many; Wisdom is one  
Beings are many; breath is one  
Classes are many; college is one  
Find out this One behind the many  
Then life shall enjoy peaceful harmony*

The wise one to the cosmic age

Although more than 90 years old, in his school in the south of India, *Kavi Yogi Maharishi* (great divine visionary, wise poet), Dr. Shuddhananda Bharati worked like a young man of twenty. When he was asked his age, he answered: "My age is Courage!"

The Yogi wrote several hundred works in English, French, Tamil, Hindi, Telugu and Sanskrit: five thousand songs, and fifteen hundred poems in French. The magnum opus of the man conscious of the presence of God in him, *Bharata Shakti*, (in 50,000 verses) described his ideal: only One Humanity living in communion with only One God in a transformed world! *Bharata Shakti* is a monumental and unique work. The Yogi depicts the gasoline of all the religions, of all the prophets and saints, all the approaches of *Yoga* and all the cultures on an allegorical fabric. It is a book for any age which all spiritual researchers and all nations should read and meditate on. This work was completed and appreciated by Sri Aurobindo, the Mother, Mahatma Gandhi, Rabindranath Tagore, Romain Rolland, Annie Besant, Bertrand Russell, George Bernard Shaw, Dr. Suzuki and so many others. It installs the author among the great, men such as Dante, Homer, Racine, Shakespeare, Vyasa, and Valmiki.

Dr. Shuddhananda Bharati is the greatest Tamil poet, having translated into this language: *Gita*, *Upanishads*, *Veda*,

the *Bible*, the *Koran*, *Avesta*, the *Buddha-Dhamma-Sangha* and *Tattvartha Sutra*, the life and teachings of Lao-Tseu and Confucius. From their original languages, he also translated into Tamil *The Divine Comedy* of Dante, the tragedies of Racine, the comedies of Molière, the dramas of Corneille, Shakespeare, Goethe and the novels of Anatole France, Victor Hugo, Alexandre Dumas and others.

Shuddhananda's works are innumerable. Malcolm Macdonald, who chaired the Congress on the Unity of the Conscience in Singapore, said in his short speech about him: "He is such a remarkable man, having such a diversity of raised gifts, that it is difficult to know where to start and where to finish when one speaks about Kavi Yogi Dr. Shuddhananda Bharati. Few men have achieved as many things in only one human life." His name appears moreover in the Encyclopaedia of the World's Great Men, which says: "Dr. Shuddhananda Bharati is the author of literary works of varied styles: works epic and lyric, melodramas, operas, comedies, pastoral, romance, novels, biographies, commentaries on famous works and texts. *Bharata Shakti* is his magnum opus." He had a presentiment that he would receive the Nobel Prize for Peace or for Literature but did not live to see it. His commitment is summarized in his book celebrating his life, "*Experiences of a Pilgrim Soul (Expérience d'une Âme de Pèlerin)*."

God I loved and lived in him,  
Making His commandment  
Leave to Man his entire talents  
This is my will!

## New Cosmic Songs

Human energy is scaling new frontiers of science and soaring high. Astronauts are walking on the moon and exploring the planet of Mars. The planets circling in space are being approached and studied by the Sputnik. But on the other hand, politics has become a demonic science with an insatiable thirst for atom bombs. Hiroshima was destroyed by an ordinary atom bomb; now flying bombs such as hydrogen bombs, lithium bombs, titanium bombs, cobalt bombs are being superceded by neutron bombs that are getting ready to destroy the living beings of the world en masse. Mankind will be able to live in a state of peace only when this murderous frenzy comes to an end. Science is necessary; scientific power facilitates the easy acquisition of life's requirements: food, clothing, housing, machinery for development work etc can be easily acquired. But that is not enough. Mental attitudes must change. Frenzy and differences erupt in the mind. It becomes imperative to generate love, grace, knowledge, tranquillity and spirituality in the mind; the need of the hour is spiritual socialism that combines a pure mind and an unblemished life. This book celebrates such a life with fervour and invites you to live a new rejuvenated life in a new world and engage in public good.

Let us laud the efforts of the Soviet Union to do away with atomic warfare and enforce arms control.

Let us sing:

*May happiness prevail, long live everyone!*

*Let us open the floodgates of songs and establish grace-filled peace in the world. Aum!*

# New Cosmic Songs

## 1. New life

Raga: Behaagh – Tala: Jambai

With new, new dreams  
With new, new views  
With new, new arts  
Let's live a new life  
Let's live - surrounded by love.  
In the dawning rays of the sun  
In the joyous morning birdsong  
In the flowers blossoming in the morning  
Let's see the new life  
Let's see and maintain our calm  
In the old contradictions  
In the old inimical arrogance  
To destroy the war that raged  
Let's unite in our hearts  
Let's unite and pray for goodness  
Beautiful femininity interacts  
With intelligent masculinity like electric points  
Let's establish oneness in the universe  
Let's establish and demonstrate excellence  
Like the infinite sky  
Like the munificent clouds  
Like the breeze redolent with the perfume of jasmine  
Like the roaring sea  
Let's sing and embrace victory!

## 2. Come all to savour happiness...

Raga: Bhairavi – Tala: Aadhi

Come all to savour happiness -  
Let's all live to impart happiness to everyone  
Down with differences of caste and religion  
The oneness in our hearts is the new blessing  
Come all to savour happiness...

One is human society  
One is the conscience that is its king  
One is the sweet world  
One is the God who is omnipresent  
Come all to savour happiness...

Like the running stream  
Like the garden nurtured by the river  
Like the music flowing from the flute  
Let's do good in this world for everyone!  
Come all to savour happiness...

Like dark rain-bearing clouds in the sky  
Like the munificent sea that is its source  
Like the wise sun  
Let's do public good in this world!  
Come all to savour happiness...

Like the thousands of stars  
That travel with the ambrosial moon  
Let's prosper as one community  
Let's live peacefully in a spirit of contentment!  
Come all to savour happiness...

### 3. Public property

Raga: Mohanam – Tala: Aadhi

To whom do the sun and the moon belong?  
Whose property is the nature surrounding us?  
To whom does the starry sky belong?  
Like the cool seas, everything is public property  
Who owns the flowing streams?  
Whose property is the circulating breeze?  
To whom do forests and mountains belong?  
Like the world one sees, everything is public property  
To whom does the life on earth belong?  
To whom do labour and livelihood belong?  
Whose property are crops and produce from fields?  
They are the common property of hard workers.

### 4. They have the right

They have the right, have the right  
All the people in the world  
To live in splendour  
Without deprivation and suffering  
They have the right...

The virtuous ones that labour hard  
Share the food and survive  
Like birds building their nests  
To construct their homes and live  
They have the right...

Like joyous herds of bees  
Loving hearts to live  
As a community in a natural way  
They have the right...

## 5. Let's live

Raga: Sindhubhairavi – Tala: Aadhi

Let's live - surrounded by love  
In the shade of the celestial canopy  
As blissful friends  
Let's live...  
Let's live like the lute and the flute  
Let's dance with the rolling waves of the sea!  
Let's live...  
Let's dispense justice without differences of caste  
and religion  
Let's flourish as one community in this world  
Let's live...  
Let's chant the *Veda* of freedom on the streets  
Let's nurture the play of beauty in every home  
Let's live...  
Let's live and strive for the eminence of femininity  
Let's drive out the demon of fear and rule the world  
Let's live...  
Let's live to promote the greatness of truth  
Let's live long in this world in unity eschewing fights  
Let's live...  
Let's live to shine in a noble light  
Let's live to sustain this world with beauty

Let's live to establish a celestial kingdom on earth  
Let's change mankind into divine beings!  
Let's live...

## 6. Oneness slogan

Raga: Kalyani – Tala: Rupaka

One God one world  
One spiritual entity are we  
Under the shade of the same celestial canopy  
Let's live in a spirit of oneness!  
One God one world...  
One heart one consciousness  
One loving heartbeat are we  
In a spirit of pure consciousness  
Let's live as one community!  
One God one world ...  
Like the rays of the morning sun  
Like the tail feathers of the exultant peacock  
Like the flowers strung in the evening  
Let's live with minds and hearts in harmony  
One God one world...  
Like the flocks of singing birds  
Like the garden with ripe fruits  
Like the dancing ambrosial sea  
Let's live like the music of the spring  
One God one world...  
Like the rows of celestial stars  
Like the parade of different seasons  
Like the conviction of an enlightened sage

Let's live like the sweetness of a good poem!  
One God one world...  
Rendering service together  
Experiencing its fruit  
Living a life lauded by the universe  
Let's live to transform it into a divine life!  
One God one world...

## 7. The World

Raga: Senchuruti – Tala: Aadhi

Nurtured with the milk that is rain  
By the infinite sky  
The world is a newborn child  
Blooming with diverse riches  
In the lap of mother's love  
Governed by divine love  
Can the world be called an illusion?  
Let's know it as a mantra of life.  
Embraced by the wind and the sun  
The deep seas, rivers and mountains  
The world is but the stage  
For the dance of the supreme God  
A world filled with beauty  
A world engulfed by nature  
A world overflowing with allure  
Let's rejoice in it.

## 8. Psychic flowering

Raga: Punnagavaraali – Tala: Ega

Like the mountain stream  
If one knows to live  
In the stream of time  
Do all dreams of life come to life!

Like the captivating green parrot  
Like the prattling child  
If one is devoid of guile  
The world becomes a heaven!

Like the sun  
If the heart is at peace  
Can sorrows of dark fears come near?  
The world becomes a lighted flame of happiness.

With the divine powers of Shiva-Shakti  
And in the consciousness of 'I'  
On the unfurled lotus  
Sits the self-luminous Mother

Adi Para Shakti - stands She  
Having traversed all the six paths<sup>1</sup> of wisdom  
Spiritual light, queen of the mountains is She  
Are there words to laud Her greatness?

<sup>1</sup> Vedantham, nadhantham, bodhantham, kalantham, yogantham, and siddhantham

## 9. Love slogan

Love is God, it is said  
Love alone defines human nature  
Can there be fear when the heart is filled with love?  
Can bullets overcome love?

In the world where increasing darkness, suffering and  
enmity cause distress  
That which bestows grace, wealth, knowledge, beauty  
and nectar is love  
Do name and fame, form and separation,  
highs and lows exist?

In the common oneness of love  
Let's live as moral warriors  
Love alone is man's virtue  
Love alone is the soul of life.

## 10. Man

Raga: Senchuruti – Tala: Aadhi

Man - he walks with his head held high  
A self-respecting lion is he  
Learning his art, in tune with the times  
He plies his trade  
Endowed with powerful shoulders and mental strength  
An action warrior is he  
Aware of his situation, he upholds truth  
A friend of the world is he  
Fostering friendships, he makes it clear

Mankind is but one community  
Sharing food with the deprived  
He stands with the poor and helpless  
A doer who plans and executes  
He generates wealth to benefit others  
He who alleviates the worries of those bonded in life  
He is indeed an ocean of compassion.  
Striving to serve the whole world  
Like the sun and the sea  
Like the dark rain-bearing clouds  
It is man who safeguards the plant of righteousness.  
To overcome war frenzy he practices patience  
A man of virtue is he  
Like a public tank, like a noble fruit-bearing tree  
Man renders help.
